## Safety Data Sheet

Odorless
Not applicable
Not determined
Not determined
Not determined
Not applicable
Insoluble
No decomposition if used according to specifications
No dangerous decomposition products known
None
None
None
None
The ecological effects have not been thoroughly investigated, but currently none have been identified. Not known to be hazardous to water.
Dispose used devices that have been processed with human samples as if biohazardous. Wastes containing these products should be disposed of in a manner consistant with state, federal, and local regulations.

No special transportation needed. Non-hazardous material.

## 15. Regulatory information

Not classified as a hazardous material.

## 16. Other information

Puritan Medical Products Company LLC provides the information in this document in good faith and believes the information to be accurate.
