Safety Data Sheet

9. Physical and chemical properties	
Odor:	Odorless
pH:	Not applicable
Density:	Not determined
Boiling point, °C:	Not determined
Melting point, °C	Not determined
Flash point, °C:	Not applicable
Solubility:	Insoluble
10. Stability and reactivity	
Materials and conditions to avoid:	No decomposition if used according to specifications
Hazardous decomposition products:	No dangerous decomposition products known
11. Toxicology information	
Acute effects:	None
Chronic effects:	None
Exposure limits:	None
Carcinogenicity (to humans):	None
12. Ecological Information	
Ecology:	The ecological effects have not been thoroughly investigated, but currently none have been identified. Not known to be hazardous to water.
13. Disposal considerations	
Recommendation:	Dispose used devices that have been processed with human samples as if biohazardous. Wastes containing these products should be disposed of in a manner consistant with state, federal, and local regulations.
14. Transport information	

No special transportation needed. Non-hazardous material.

15. Regulatory information

Not classified as a hazardous material.

16. Other information

Puritan Medical Products Company LLC provides the information in this document in good faith and believes the information to be accurate. The chemical, physical and toxicological properties of this product have not been thoroughly investigated. It is the responsibility of the buyer to research and understand safe methods of handling, storing, and disposal of this product. Puritan Medical makes no warranty with respect to such information and assumes no liability for any loss or injury, which may result from the use of this information. It is the buyers responsibility to comply with local, state and federal regulations concerning use and disposal of this product.
